

Norman,

I want to thank you and also personally commend you on a job well done. We at the church are grateful for the expert care and service you showed us. You were very timely in all aspects of our dealings and went above and beyond our expectations. You and your crew were respectful of our facilities and completed the job when you promised. Our sanctuary has never looked better and our pews look like they came off a showroom. Thank you for giving us a quality, yet affordable restoration, and May the Lord bless you and your business.

In Christ,

Pastor Bryan Treadway
