Mr. Keith Rugel
Rugel Church Furnishings, Inc.
827 East Broadway
Jefferson City, Tennessee 37760

Dear Mr. Rugel,

First of all, I want to thank your company for doing everything in your power to achieve installation of our pews and chairs before our Dedication and Consecration Service tomorrow. The pews and chairs are absolutely beautiful... beyond my expectations.

Secondly, I want to commend Norman McPhail and his crew, for an outstanding job of installing our new pews. I understand that they have been on the road and essentially are on the way back home with a diversion to Clarksville. These folks have been courteous, professional, and certainly mindful of trying to keep our new facilities as clean as possible... unlike some other contract personnel we have had in the last few weeks.

I understand that Norman is new as one of your installers, therefore, I wanted to help get him off to a good start by letting you know how pleased I am with what he has done here today. You can be assured that given a chance, I will recommend your company to others, not only for your quality products, but also for your professional installers.

Yours in Christ,

R. Douglas Geddes
